

GENIUS® POSILOK™ TIP BOXED

Disposable Dispense Tips

The dispense tip helps define the deposit shape and the performance of your dispenser. Whether using and AirFree® or AirPulse™ dispenser any dispense tip will attach to your dispense component. Refer to the various selection guides or contact one of our Customer Service Representatives for assistance at (800) 433-2115

GENIUS®

Tapered FreeFlow™

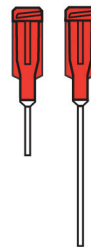

Precision taper allows fluid to flow without restriction, reducing stringing and ooze. Polyethylene molded with UV light block. These tips feature the PosiLok™ hub.

50 tips per box
